

OCF Beauty Dish

Bring out the beauty

The OCF Beauty Dish is a collapsible and more portable version of the classic Profoto Softlight Reflector.

It creates a creamy yet crisp light, often referred to as a “beauty light.” When it comes to bringing out the beauty of your subjects, it is second to none.

Since it is tailor-made for on-location photography, the OCF Beauty Dish is compact, lightweight and easy to use. High-quality fabrics and patent-pending design allows

you to snap it onto the speedring without having to bend and fumble with the rods.

Popular applications

- Portrait
- Fashion
- Beauty
- On location
