

OCF Gels

Add color to your palette

Add color to your palette with the OCF Gels. There are 20 gels to choose from, ten are color correction gels for balancing your flash with, for instance, sunshine or indoor lighting, while the other ten are color effect gels. Add them to boost your creativity and shape light in color.

OCF Gels are pre-cut to fit Profoto Off-Camera Flashes, and mounted in the blink of an eye thanks to a unique and clever snap-on solution. OCF Gels are sold in three different kits. The OCF Color Gel Starter Kit includes the ten most popular

gels plus the actual Grid&GelHolder. In addition, there is an OCF Color Correction Gel Pack and an OCF Color Effects Pack, each with 20 gels.

Popular applications

- Color correction
- Creative color effects
- Background color
- Skin tone enhancement
